## Other Projects

### Hepatitis

Saylani Welfare has also set up a clinic for the best treatment of Hepatitis patients where Hepatitis patients are being treated

### Housing Society

Saylani Welfare is also providing its own home facility for the homeless people. So far, thousands of houses and flats have been constructed and given in easy installments.

## IT Literacy

We are committed to developing more than 1 million software developers, which will add about 100 billion annually to Pakistan's economy and help ease the debt burden on Pakistan.

## Tharparkar

In Tharparkar, Saylani has set up several schools and ro plants, dug wells and brought the children there to Karachi and taught them modern technology.
